

# SPEEDIER

SPEEDIER is a highly innovative one-stop-shop solution that applies an integrated approach to energy management, providing information, advice, capacity building, energy auditing, financing, implementation of energy efficiency solutions and monitoring of impacts.

## OBJECTIVES

To facilitate the uptake of energy audits and implementation of the resulting energy conservation measures in SMEs.

To demonstrate the effectiveness of the self-financing mechanism.

To demonstrate the SPEEDIER Service as an innovative & effective tool.

To increase the skills of the key market stakeholders.

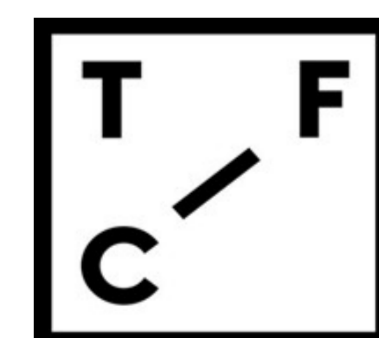

To enhance the energy culture of SMEs through a series of engagement awareness and capacity building activities.
