

SPEEDIER

SPEEDIER is a highly innovative one-stop-shop solution that applies an integrated approach to energy management, providing information, advice, capacity building, energy auditing, financing, implementation of energy efficiency solutions and monitoring of impacts.

OBJECTIVES

To facilitate the uptake of energy audits and implementation of the resulting energy conservation measures in SMEs.

To demonstrate the effectiveness of the self-financing mechanism.

To enhance the energy culture of SMEs through a series of engagement awareness and capacity building activities.

To demonstrate the SPEEDIER Service as an innovative & effective tool.

To increase the skills of the key market stakeholders.
